Find out more under "Furnishing your system stand", or at

www.book-fair.com/system-stand

Examples of system stand modules

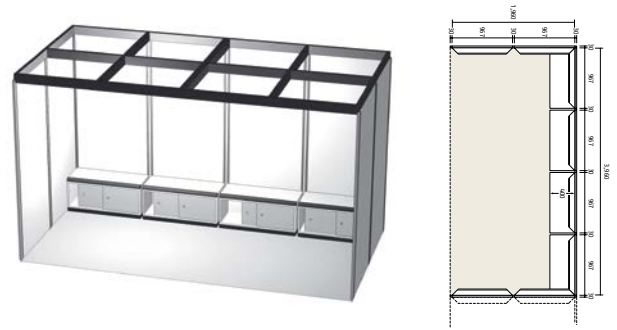

Depending on stand size and type, diverse support elements may be needed for structural purposes, i.e. to bear the ceiling frames and contribute to overall stability. These may be individual support walls, metre or half-open walls, or corner combinations made of these elements. The shelf rails are not shown in the illustrations.

System stand 4 sqm

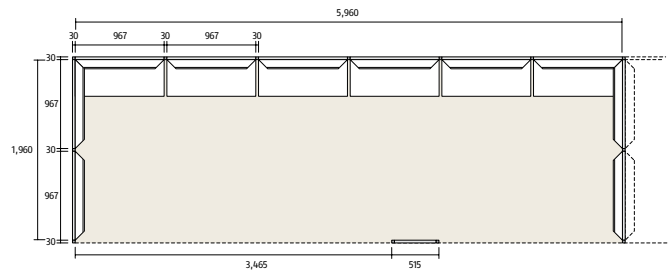

Dimensions (d × w): 2 m × 2 m – **Size:** 4 sqm
